CTR Inc. and Ratermann Manufacturing Announce Joint Product Sales and Marketing Agreement

Rock Hill, SC, November 30, 2009 – CTR Inc., the world class leader in cryogenic and gas handling equipment has signed a joint marketing agreement with Ratermann Manufacturing, who offers a wide range of products and services for the gas, cryogenic and medical markets. The marketing program brings several CTR products to the Ratermann portfolio. These include, the Argon-A-Mizer, Gatekeeper, liquid cylinder polisher, vacuum jacketed flexible hoses, dual vaporizer switching unit and Whisper Vent products. Jeff Winegar, CTR CEO, said, “This agreement gives us a new channel of distribution and an exciting professional sales organization to market CTR fill plant equipment.” Brent Lockhart, Vice President of Sales, RMI, stated “CTR’s reputation for quality and their breadth of plant equipment adds a family of products that are first class in design and manufacture to the portfolio of products we are able to offer to our customers. We are very excited to work with an organization with such an outstanding reputation and feel that our customers will truly benefit from this venture between our companies”. “This agreement adds a great new dimension for our product sales benefiting all of our customers”, said Bill Jones, CTR National Sales Manager.
